

COMMENTS

Applicant has reviewed the Statement of Reasons for Allowance and notes that the language of the statement is not identical to the language of each claim to which the statement is indicated to apply. If the position of the Examiner is that each claim is to be interpreted as including the language attributed to it in the statement, the Office is respectfully requested to withdraw the allowance and to present a new Non-Final Office Action substantiating such a position. Otherwise, the record will reflect that each claim is to be interpreted according to the language actually recited therein.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0289, under Order No. 967_022 from which the undersigned is authorized to draw.
